## Wilbur Oh

Head (International Collaboration)  
Occupational Safety and Health  
Division (OSHD)  
Ministry of Manpower (MOM),  
Singapore

Mr Wilbur Oh is an Electrical Engineer by training and currently leading the International Collaboration unit, under OSHD, MOM, Singapore. He oversees OSHD's international collaboration activities with international and regional organisations such as the International Association of Labour Inspection (IALI) and ASEAN-OSHNET. Since 2014, he is the IALI Secretariat (IALI, <http://www.iali-aiit.org/en/index.htm>) and Secretariat to the Executive Director of the ASEAN-OSHNET Secretariat (<http://www.aseanoshnet.org/>).

Wilbur is also a member of the International Organising Committee for the 21st World Congress on Safety and Health at Work organised by International Labour Organisation (ILO), International Social Security Association (ISSA) and MOM that will be held in Singapore in 3-6 September 2017 ([www.safety2017singapore.com](http://www.safety2017singapore.com)). He is also currently the Secretariat of Singapore's Organising Committee for the World Congress.

He was previously the Senior Assistant Director for the Operations Planning and Development Branch under Occupational Safety and Health Inspectorate (OSHI) Department, OSHD for over 2 years. He oversaw the corporate services, operational planning and feedback management for OSHI's operations.

Wilbur was also previously with the Policy and Planning Branch under the Policy, Information and Corporate Services, OSHD, MOM which formulate and develop OSH policies and legislation in Singapore. He also oversaw the strategic planning, coordination and delivery of OSHD's key projects and programs in accordance with its strategic goals and outcomes.

Prior to joining OSHD, he was previously in the Work Pass Division, Ministry of Manpower for over 3 years that formulates work pass policies, rules review and implement work pass policies.
